STATE MEDALLION TOURNAMENT

As your Club's AWGA Representative, we ask that you conduct the yearly State Medallion Tournament. This tournament should be one that stirs up some excitement among your players. It should be regarded on a similar level as your Club Championship. It may not be as grueling a competition as the Club Championship, but the rewards of winning this tournament place the winners in the state spotlight...representing your club. Your state medallion winners, in addition to winning a prestigious medallion, are also invited to represent their club in a competition of state medallion winners at the end of the year.

CONDITIONS OF PLAY

LOCAL CLUB STATE MEDALLION TOURNAMENTS

Players need not participate in all four rounds to be eligible. Determining the winner on the basis of the best two rounds out of four is intended to give players the maximum opportunity to produce two good scores, not to eliminate those players who cannot play all four rounds. The AWGA recommends that all four rounds be played on the same course. All 18-hole rounds should be posted as "T" scores (9-hole rounds CANNOT be posted as "T" scores) as determined by the local Handicap Committee in consultation with the Committee in charge of the competition if it meets the USGA Handicap System's definition of Tournament Score.
