Camp Soaring Eagle provides the healing power of laughter to thousands of seriously ill children by giving them the opportunity to go to a medically supervised camp at no cost to the campers and families.

Who We Help

Currently there are 241,067 children in Arizona with special health care needs.

We serve Arizona families with Campers ages 6-15 living with the following diseases.

Including, but not limited to:

- Type 1 Diabetes
- Respiratory Diseases
- Cancer
- Collagen Vascular Disease
- Inflammatory Bowel Disease
- Metabolic Syndrome
- Mitochondrial Disease
- Neuromuscular Impairments
- Retinoblastoma
- Blood Disorders

How We Help

- Camp is provided FREE of charge
- Year Round Programs
- Our goal is to serve 1700 Campers in 2015
- 24 Hour Medical Care
- Illness Specific Camper Weekends
- Illness Specific Family Retreats
- Sibling Camper Weekends
- Summer Camp Program
- Veterans’ Kids Camper Weekends
- Camp Outreach

Camp is completely FREE of charge to campers and their family because of charitable donations.

Medical Care

What sets Camp Soaring Eagle apart from other youth-based camps in Arizona? We provide exceptional standards in medical care. We have medical professionals that volunteer each weekend to provide a safe and fun environment for our campers.

“*My parents were willing to let me go to camp, and I thought it was a blessing.*

Aaron
Ewing’s Sarcoma
We provide FREE camping programs to children with serious illnesses.

**Illness Specific Camper Weekends**
Camper Weekends restore the resilience, the independence and the joy for seriously ill kids. A Camper Weekend helps to erase the pain and isolation these kids endure the other 362 days of the year.

**Illness Specific Family Retreats**
When a child is diagnosed with a serious illness, it directly affects the entire family. At Family Retreat Weekends, siblings and parents can share their feelings openly and honestly with other families going through the same kind of medical crisis while coming together to enjoy a much needed break.

**Sibling Camper Weekends**
The Sibling Camper Weekend lets well children within the family get away from their chaotic surroundings, make friends and hang out with other kids who are also trying to cope with a sick sibling. They feel special for the weekend having the chance to simply laugh and play.

**Camp Outreach**
In partnership with Cardon Children’s Medical Center, Banner Thunderbird Medical Center, Phoenix Children’s Hospital and other medical facilities, Camp Outreach brings the playful spirit of camp to children experiencing long-term hospital stays for treatment or therapy. Throughout the year campers and families join us for sporting events, theatrical entertainment, and other fun group activities to maintain the friendships started at camp.

**Veterans’ Children Weekend**
The Veterans’ Kids Camper Weekend gives kids on the home front a few days to relax, get things off their chest, and blow off some steam. We honor our Arizona soldiers who are sacrificing for their country by serving the children they leave behind.

**Summer Camp Program**
The Summer Camp program is a transformational week where children ages 6-15 come together to create life-long bonds with children like themselves with similar medical conditions. This week long camp adventure is a unique opportunity for our campers to truly spread their wings as they foster a sense of pride and accomplishment and gain freedom from their illness.

---

Karlie’s attitude about her disease changed once she experienced camping with other kids her own age who, themselves, had type 1 diabetes.

**Karlie** type 1 diabetes

**Spencer** Ewing’s Sarcoma
